

How to raise \$500 in a week!

DAY 1 Start by making a \$30 donation to your own page!

The first donation on a page often sets the trend for donations to come.

DAY 2

Reach out to four family members to donate \$20 each.

DAY 3

Ask two local businesses that you frequently visit to donate \$50 each.

DAY 4

Ask five co-workers to donate \$20 each to your page.

DAY 5 Ask for a company contribution of \$100

Pro tip: Lots of companies will dollar match. See if your work will match the donations you receive.

DAY 6

Sell something you don't use online for \$50 and donate it to your page.

DAY 7

Use email or social media to ask five people to donate \$10 each. Let them know why you're getting involved with Loud Shirt Day and what it means to you.

Stay in the loud loop!
